

After School Enrichment Classes

September 26, 2016 – January 26, 2017

MONDAYS (10 Classes)

BALLET (4-5 year-olds) We are honored to have Adrienne Schulte, ballerina with American Ballet Theatre, teaching this fall. This is a rare opportunity for your child to study with a renowned ABT dancer. Beyond being an extraordinary performer and artist, Adrienne comes highly recommended by our beloved Julie Kent who has, alas, moved to Wahsington D.C. this year.

DRAW ME A CROC (3.5-5 year-olds) *Not just another art class!* Bernard Adnet (creator of our Montclare Croc), 'draws' from decades of experience as an award winning professional children's book illustrator and art teacher to help boost students' self-confidence, greatly improve fine-motor and pencil grip skills while children enjoy exploring their inner-artistes!

TUESDAYS (11 Classes)

SUPER SOCCER STARS (3.5-5 year-olds) offers basic to intermediate soccer skill instruction in a friendly, non-competitive atmosphere. A dynamic group of international coaches works with small groups of children using positive reinforcement to help them enjoy the world's most popular sport!

NY CHESS KIDS (3.5-5 year-olds) Work that left brain! This concise and comprehensive program was developed to help young children identify complex patterns, develop strategic thinking and hone analytical skills while learning the basics of the game of chess. (This is also offered on Fridays)

YOGA (3.5-5 year-olds) Tzila Elhadad, our 3s Yoga Instructor, shares her skills and engaging poses in this afterschool class. She incorporates her love of yoga and her adoration of children to foster a love of yoga for your little ones. *Namaste!*

WEDNESDAYS (13 Classes)

MANDARIN - BILINGUAL BIRDIES (3-5 year-olds) Bilingual Birdies' mission is to encourage cross-cultural awareness through their foreign language and live music curriculum. They teach Mandarin through live music, movement, dance, puppetry, and theatre-based games. The curriculum aims to teach ten to fifteen basic vocabulary words and short phrases in each class. There is great value in educating young children on other cultures and languages through social and emotional play.

BRICKS 4 KIDZ (4-5 year-olds) **Stop Motion Animation** - Everything is Awesome at Bricks 4 Kidz® Stop Motion Animation Afterschool! Lights, Cameras, LEGO®, Computers, Software and your creativity combine to design, create, and film a Stop Action Movie. Using LEGO® Bricks, carefully selected storybooks and guides, and imagination, your child will develop a unique, individual stop-motion animation - complete with music, special effects, and all your favorite Mini-Figure LEGO® Characters. The Bricks 4 Kidz® instruction team provides all materials, including specialty themed LEGO® sets – such as Star Wars, Ninjago, LEGO® Friends, Super Heroes, and, more, to help them tell their story.

THURSDAYS (12 Classes)

DRIBBL JR. (3-4 year-olds) Named "Best Of" by *New York* magazine, Dribbl Jr. is a fun, recreational program teaching kids fundamental basketball skills in a positive and supportive environment. Coaches work with small groups to get our young athletes comfortable on the court. Kids will work on improving basic gross motor skills such as running and jumping and sport-specific skills such as passing and ball-handling.

TADA! (4-5 year-olds) PLEASE NOTE THIS CLASS TAKES PLACE FROM 2:45-3:45 is a highly regarded arts education program that will give children exposure to the thrill of acting, singing and dancing. Their classes foster personal and creative growth in a structured and supportive environment.

FRIDAYS (9 Classes)

TENNIS INNOVATORS (4-5 year-olds) Tennis Innovators' approach revolves around developing coordination and balance needed to create optimal swing patterns and mobility for tennis. Nets and court sizes are scaled down and equipment is specifically designed to allow a high success rate of consistency and interaction with others. It is the perfect way for a young tennis player to learn and develop a love for the sport.

NYCHESSKIDS
CHESS SCHOOL OF AMERICA

NY CHESS KIDS (3.5-5 year-olds) Work that left brain! This concise and comprehensive program was developed to help young children identify complex patterns, develop strategic thinking and hone analytical skills while learning the basics of the game of chess. (This is

also offered on Tuesdays)
