MONDAYS - 12 Classes

\$480 CREATION SPACE: DRAW ME A CROC Children build self-confidence and fine-motor skills in this multi-faceted art class. Bernard Adnet 'draws' from decades of experience as an award-winning professional children's book illustrator and art teacher.

\$700 NORY ROBOTS & SCIENCE Young innovators will use their strengths, as well as develop new skills, to program robots and build circuits and structures. We encourage children to ask "why" and will never answer "just because".

TUESDAYS - 14 Classes

\$630 SUPER SOCCER STARS Basic to intermediate soccer skill instruction in a friendly, non-competitive atmosphere. A dynamic group of international coaches works with small groups of children using positive reinforcement to help them enjoy the world's most popular sport!

\$420 CREATION SPACE Creation Space/**Creative Concoctions** will foster creativity and imaginative play in a fun and relaxed environment. This student-centered class will encourage creative exploration in science and cooking.

WEDNESDAYS - 15 Classes

\$675 NY CHESS KIDS Develop strategic thinking and hone analytical skills while learning the basics of the game of chess. Problem-solving is only one benefit as children will also learn about fair-play and good sportsmanship. (This class is also offered on Fridays).

\$450 CREATION SPACE Creation Space/**Building** will foster creativity and imaginative play in a fun and relaxed environment. This student-centered class will encourage exploration in creative building with various materials from blocks and Legos to magna-tiles and more.

THURSDAYS - 14 Classes

\$630 TADA! 2:45-3:45 is a highly regarded arts education program that will give children exposure to the thrill of acting, singing and dancing. Fosters personal and creative growth in a structured and supportive environment.

\$420 CREATION Creation Space/**Crafts** will foster creativity and imaginative play in a fun and relaxed environment. This student-centered class will encourage exploration in various crafts projects.

FRIDAYS - 9 Classes

\$405 TENNIS INNOVATORS Tennis Innovators' approach revolves around developing coordination and balance needed to create optimal swing patterns and mobility for tennis. The perfect way for a young tennis player to learn and develop a love for the sport.

\$270 CREATION SPACE Creation Space/**Creative Concoctions** will foster creativity and imaginative play in a fun and relaxed environment. This student-centered class will encourage creative exploration in science and cooking.

After School Connections is for 3-year-olds whose day ends at lunch and would like to participate in our After School program. Families have a choice of 1 or 2 days a week on Mondays or Wednesdays. The class will run for the entirety of the After School program. Each day will allow for time to eat lunch, nap/rest, and engage in choice time. When you enroll, you will have the choice of the After School enrichment class you would like for your child each day.

Play Studio is an additional hour of socialization and play offered to all students.
