Toddler Program

Montclare Curious Crocs Summer Program runs from June 18th through July 27th. Classes are shorter than our typical day at Montclare, and do not involve having children separate from their grown up. However, Curious Crocs will help prepare children for what preschool is all about.

Toddlers from 12 to 24 months are just beginning to test out their independence. A certain amount of back and forth from “home base” (a trusted caregiver) is not only expected, but typical of this age. Toddlers eagerly toddle away, and then toddle back to their caregivers. They may need to “check-in” and make sure that their special grown up is still available to them when they need them. In **Curious Crocs**, we gently encourage toddlers’ budding independence by providing a safe space for exploration and discovery with our experienced teaching staff.

Montclare Curious Crocs Classes are offered Mondays and/or Fridays from 9:15 AM to 10:30 AM. These classes are the perfect way for toddlers to explore and play in a secure, age appropriate environment with our excellent, experienced staff. Sign up for one or two sessions (\$50 Discount for 2)! In addition to following a predictable schedule, each session will feature something special...
