## Montclare Spring School Enrichment Classes

January 27, 2020 – May 21, 2020

### MONDAYS - 14 Classes

**JODI'S GYM** (ages 3-5) A healthy empowered child has no limitations. Our class goes way beyond gymnastics! Strength, balance, flexibility, coordination, goal setting, focus, sharing and confidence developed in our programs follow children to their playing fields and classrooms...and even into adulthood.

**NORY ROBOTS & SCIENCE** (ages 3-5) Is your child inventive? A problem solver? If you answered yes, you have an innovator on your hands, and we have the class for you. Young innovators will use their strengths, as well as develop new skills, to program robots and build circuits and structures. We encourage children to ask "why" and will never answer "just because".

**Playstudio** is offered daily from 3:30-4:30 PM

### TUESDAYS - 14 Classes

**NY CHESS KIDS** (ages 3-5) Work that left brain! This concise and comprehensive program was developed to help young children identify complex patterns, develop strategic thinking and hone analytical skills while learning the basics of the game of chess. Problem-solving is only one benefit as children will also learn about fair-play and good sportsmanship.

**SPANISH Bilingual Birdies** (ages 3-5) through live music, movement, dance, puppetry, and theatre-based games. Our curriculum aims to teach ten to fifteen basic vocabulary words and short phrases in each class.

**Playstudio** is offered daily from 3:30-4:30 PM

### WEDNESDAYS - 14 Classes

**SUPER SOCCER STARS** (ages 3-5) offers basic to intermediate soccer skill instruction in a friendly, non-competitive atmosphere. A dynamic group of international coaches works with small groups of children using positive reinforcement to help them enjoy the world's most popular sport!

**Manhattan Mandarin** (ages 3 - 5) Through our classes, children successfully are engaged in learning Mandarin through play, song, stories and dance. Children will come home singing in Mandarin with lots of arts and crafts to boot! Most importantly, they will be excited to come back each week! Manhattan Mandarin's expert teachers are also at Trinity, Chapin, Hewitt, Buckley, PS 6 and more!

**Playstudio** is offered daily from 3:30-4:30 PM

A perfect way for children to learn and develop a love for tennis!
