Date

AFTERSCHOOL

Montclare After **Virtual** School Enrichment Classes

October 5, 2020 – February 5, 2021

MONDAYS - 14 Classes

ARTS, CRAFTS & DESIGN with Linda, 4:00-4:40 (ages 3-5) Let's "rocket" using crayons, paint, creativity and some

glue to explore age-appropriate aspects of biology, astronomy, and zoology. On occasion, fun and not messy experiments will be included in our class. Students will have a "blast" probing science, engineering, art and math.

MUSIC WITH NOEL, 4:00-4:40 (ages 3-5) We will sing, sing, sing, all of the songs we know and some new ones as well.

Songs are one of the most effective ways to introduce language to children and expand their vocabulary. This will be a great opportunity for children to sing their little hearts out

TUESDAYS - 15 Classes

COOKING WITH STEAM with Camille, 4:30-5:15 (ages 3-5) Creativity is key! Through

cooking and "making" this class will encourage creative exploration with hands-on activities. Students will have a "blast" experimenting and exploring with science and math.

WEDNESDAYS - 15 Classes

COLOR ME A STORY with Linda, 4:00-4:40 (ages 3-5) From fact to fiction, come join us as we read stories and

"color" our feelings! A child-directed 40 minutes of enrichment choosing stories, re-telling stories, discussing the emotions in a story and coloring! You will receive printables, and all your child needs to bring are crayons, imagination, and creativity!

BEGINNER SPANISH with Sarah, 4:30-5:15 (ages 3 - 5) Come and learn basic Spanish skills through literacy, games, art and music. We will explore concepts such as numbers, letters, colors, shapes, math and common phrases together. Hope you join us!

THURSDAYS - 15 Classes

DESIGN CHALLENGE with Camille (ages 3-5) A dynamic way for our preschool kids to become creative problem-solvers. We will

use real world issues/problems to engage the children to come up with creative solutions, collaboratively each week. The children will use recycled materials in their home to create their masterpiece. Parents will have a list of supplies needed for each class a week in advance. **4:30-5:15**

FRIDAYS - 14 Classes

MUSIC FOR MCS Alumni with Noel, 4:00-4:40 We will sing, sing, sing, all of the songs we know and some new ones as well. Songs are one of the

most effective ways to introduce language to children and expand their vocabulary. This will be a great opportunity for children to sing their little hearts out!

Montclare After **Virtual** School Enrichment Classes
