

MONTCLARE CURIOUS CROCS SUMMER 2023

Summer Crocs June 26th through July 28th

Fall Crocs October 10th through December 14th

TODDLER PROGRAM:

Montclare Curious Crocs Summer Program runs from June 26th through July 28th. The Curious Crocs Fall session runs from October 10th to December 14th. One of our wonderful Montclare Two's Teachers will lead both the children and caregivers in fun and friendly activities. This program focuses on a child's ability to build relationships with other adults and introduces them to new learning experiences outside the home. Although this program does not involve having children separate from their grown up it will help prepare children for what preschool is all about.

Toddlers are just beginning to test out their independence. A certain amount of back and forth from "home base" (a trusted caregiver) is not only expected, but is typical of this age. Toddlers eagerly toddle away, and then return to their caregivers "checking-in" and making sure that their special grown-up is still available if needed. In Curious Crocs, we gently encourage toddlers' budding independence by providing a safe space for exploration and discovery with our experienced teaching staff.

During the Summer, Montclare Curious Crocs Classes are offered Mondays and/or Fridays from 9:00 AM to 10:00 AM or 10:30 AM to 11:30 AM. These classes are the perfect way for toddlers to explore and play in a secure, age-appropriate environment with our outstanding, experienced staff. Sign up for one or two sessions (\$30 discount if you sign up for both)! In addition to following a predictable schedule, each session will feature something special!

*The Fall session of Curious Crocs will be on Tuesdays and/or Thursdays 9:00 AM to 10:00 AM or 10:30 AM to 11:30 AM.
